Part 1: Notices

To Debtor(s): This form sets out options that may be appropriate in some cases, but the presence of an option on the form does not indicate that the option is appropriate in your circumstances or that it is permissible in your judicial district. Plans that do not comply with local rules and judicial rulings may not be confirmable.

In the following notice to creditors, you must check each box that applies

To Creditors: Your rights may be affected by this plan. Your claim may be reduced, modified, or eliminated. You should read this plan carefully and discuss it with your attorney if you have one in this bankruptcy case. If you do not have an attorney, you may wish to consult one.

If you oppose the plan's treatment of your claim or any provision of this plan, you or your attorney must file an objection to confirmation at least 7 days before the date set for the hearing on confirmation, unless otherwise ordered by the Bankruptcy Court. The Bankruptcy Court may confirm this plan without further notice if no objection to confirmation is filed. See Bankruptcy Rule 3015. (iii) \$ _____: Additional post-confirmation fees being sought in this modified plan, which fees will be approved when this plan is confirmed.

B. Deficiency Claims for Surrendered Property. Any unsecured proof of claim for a deficiency which results from the surrender and liquidation of the collateral noted in paragraph 3.5 of this plan must be filed by the earlier of the following dates or such claim will be forever barred: (1) within 180 days of the date of the first confirmation order confirming a plan which provides for the surrender of said collateral, or (2) within the time period set for the filing of an unsecured deficiency claim as established by any order granting relief from the automatic stay with respect to said collateral. Said unsecured proof of claim for a deficiency must include appropriate documentation establishing that the collateral surrendered has been liquidated, and the proceeds applied, in accordance with applicable state law.

C. Treatment of Claims. All creditors must timely file a proof of claim to receive payment from the Trustee. If a claim is scheduled as unsecured and the creditor files a claim alleging the claim is secured but does not timely object to confirmation of the plan, the creditor may be treated as unsecured for purposes of distribution under the plan. This paragraph does not limit the right of the creditor to enforce its lien, to the extent not avoided or provided for in this case, after the debtor(s) receive a discharge. If a claim is listed in the plan as secured and the creditor files a proof of claim alleging the claim is unsecured, the creditor will be treated as unsecured for purposes of distribution under the plan. The Trustee may adjust the monthly disbursement as needed to pay an allowed secured claim in full.

D. Executory Contracts in Part 6.1 - The Trustee will pay the pre-petition arrearages, if any, through payments made pro rata with other priority claims or on a fixed monthly basis as indicated in 6.1 above.

E. Secured Claims in Part 3.3 will be paid in full and shall retain the lien securing its claim until the earlier of (i) the payment of the underlying debt determined under nonbankruptcy law or (ii) discharge under 11 U.S.C. § 1328 or (iii) such lien is otherwise avoided by separate Court Order entered in this case or associated adversary proceeding. If this case is dismissed or converted without completion of the plan, secured Claims in Part 3.3 shall retain its lien to the extent recognized by applicable nonbankruptcy law.
